### LA TRIBU CRULINAIRE

The birth of our project was made with the idea of making the Crulinary Art (raw cuisine) accessible and exciting for everyone! To do this we have come up with innovative and gourmet preparations to allow you to eat raw in a simple and practical way. We prepare our meals with the idea of sharing the nutritional and and flavourful richness, using a blend of flavours inspired by the know-how of world cuisine.

**01/08 - 02/08 - 03/08 - 05/08  
TRACK & FIELD**
